Exercise of the Month:

The Swan Dive: Lie face down on a mat with arms stretched overhead, toes pointed. Lift your arms and legs about 6 inches off the ground. Hold for 1 count, imagining your legs being pulled out and back, away from your hips. Then, circle your arms out to each side of your body behind you. Exhale and reach your arms toward the toes, palms facing the body. Hold for 1 count, then bring arms back to starting position and relax entire body to ground. That's one rep. Repeat for 6 to 8 reps.

Recipe of the Month:

"Monster Mash" – Mashed Potatoes & Carrots
1 lb. raw potatoes (russet), 1 lb. raw carrots, 2 tsp. butter or olive oil, salt and pepper to taste, ½ tsp. soy sauce (optional).
1. Wash potatoes & cut into eighths.
2. Scrub carrots & cut into 1" chunks.
3. Cook potatoes & carrots gently in about 1 cup of water. If they get too dry, add a little more water. If it looks too runny, let some of the water evaporate.
